**MISSOURI ORGAN DONOR TRUST FUND
 VOLUNTARY CONTRIBUTION**

The **Missouri Organ Donor Registry** is a confidential list of potential organ, tissue and eye donors **maintained by the Missouri Department of Health and Senior Services.**

Your voluntary contribution to the Organ Donor Trust Fund will be used to maintain the computerized Organ Donor Registry and to provide statewide education on organ and tissue donation. Missouri's Organ Donor Registry and Program do not receive any state money. The Organ Donor Registry and all program functions are solely maintained by voluntary contributions.

Thank you for considering a donation to the Missouri Organ Donor Trust Fund.
