Instructions for Sponsors

Sponsors who contract with a commercial Food Service Management Company (FSMC) to provide Child and Adult Care Food Program (CACFP) meals that are expected to be greater than \$250,000.00 annually must follow a formal competitive bid process. Formal procurement methods must be in compliance with 7 CFR 200.320 and 7 CFR 226.22.

Formal Competitive Bid Process

1. Use the bid and contract prototype provided by the Department of Health and Senior Services-Community Food and Nutrition Assistance (DHSS-CFNA). Read through the entire packet. Complete the necessary information on the specific contract requirements for the facility to which meals are to be catered.
2. Develop, at a minimum, a two-week cycle menu. A longer cycle may be developed. Keep in mind that the more complex the food items and the menu are, the costlier the meals will be. **Do not let potential bidders provide the menus.** Each potential bidder must be given a fair and equal opportunity to bid on the same meals.
3. Place an advertisement in the local newspaper announcing that you are accepting bids for the preparation and delivery of meals. Most newspapers have a special section for bid announcements. The advertisement must include the location or phone number where bid packets can be obtained, as well as a date, time, and location for the bid opening. The sponsor must allow at least **14 days** for potential bidders to bid on the food service contract. This means that there must be at least **14 days** from the date the bid announcement runs in the newspaper to the date that the bids are opened. Send a copy of the newspaper advertisement or the invoice to DHSS-CFNA.
4. Notify DHSS-CFNA of the bid opening not less than 14 days before the bid opening.
5. Make copies of the entire bid packet, including the menus, for each company that requests a bid packet. Provide the bid packet when a company replies to your advertisement.
6. Ensure two or more responsible bidders have submitted bids for review.
7. Open all bid packets on the date of the bid opening in the presence of the bidders and the DHSS-CFNA representative. Do not open prior to the bid opening as scheduled in the advertisement.
8. The award of the bid goes to the lowest bidder unless the organization provides documentation and justification to support awarding the bid to someone other than the lowest bidder.
9. A copy of every bid must be given to the DHSS-CFNA representative at the bid opening for review.

10. The bid must be approved by the DHSS-CFNA before it is accepted by the organization. Please forward the recommended bid packet to DHSS-CFNA for approval.

- c. A copy of a current state or local health certificate for the food preparation facility shall be submitted with the bid.
- d. A copy of the current business/merchant's license.
- e. Both copies of the bid must be securely sealed in a suitable envelope, addressed to the office issuing the IFB and marked on the outside with the name of the bidder, bid number, date, and time of opening.

Failure to comply with any of the above shall be reason for rejection of the bid.

2. Explanation to Bidders

Any explanation desired by a bidder regarding the meaning or interpretation of the IFB specifications, etc., must be requested in writing prior to bid opening and with sufficient time allowed for a reply to reach all bidders before bid opening. Oral explanations of instructions given before the award of the contract shall not be binding. Any information given to a prospective bidder concerning an IFB shall be furnished to all prospective bidders as an amendment to the IFB.

3. Acknowledgement of Amendments to IFBs

Receipt of an amendment to an IFB by a bidder must be acknowledged in one of the following ways; by signing and returning the amendment; transmission of a fax with the sponsor/center maintaining the fax cover sheet; or receipt from a certified return receipt mailing. Such acknowledgement must be received prior to the hour and date specified for bid opening.

4. Discounts

Prompt payment discounts offered for payment in less than 20 calendar days will not be considered in evaluating bids for award. However, offered discounts for prompt payment made in less than 20 days will be taken if payment is made within the discount period even though not considered in the evaluation of bids.

5. Bidders Having Interest in More Than One Bid

If more than one bid is submitted by any one person, by or in the name of a clerk, partner, or other person, all such bids shall be rejected.

6. Time for Receiving Bids

Sealed bids shall be deposited at the address specified on the IFB of the sponsor no later than the exact time and date indicated on the face of the IFB. Bids received prior to the time of opening will be securely kept, unopened.

7. Opening of Sealed Bids

- a. Sealed bids will be opened publicly at the exact time and date located on the face sheet of the IFB. Bidders and the public must be able to witness any and all bids to be considered.
- b. The sponsor will read the name and address of each bidder and the unit price per meal at the bid opening. The sponsor/center need not decide on which bid will be accepted at the bid opening.

8. Errors in Bids

Bidders or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting bids; failure to do so shall be at the bidder's own risk and cannot secure relief on the plea of error.

9. Award of Contract

- a. The contract will be awarded to that responsive and responsible bidder whose bid will be most advantageous to the sponsor, price and other factors considered. Consideration shall be given to such matters as FSMC integrity, compliance with public policy, record of past performance, lack of conflict of interest or perceived conflict of interest, and financial and technical resources.
- b. The sponsor reserves the right to reject any or all bids when there are sound documented business reasons in the best interest of the program.
- c. The sponsor reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or the bid of a bidder who investigation shows is not in a position to perform the contract.

- a. Any bid received after the exact time specified for receipt will not be considered unless it is received before award is made and it was sent by registered or

certified mail not later than the fifth calendar day prior to the date specified for the receipt of bids. Example, a bid submitted in response to an IFB requiring receipt of bids by the 20th of the month must have been mailed by the 15th or earlier.

- b. A bid may be withdrawn in person by a bidder or the authorized representative, provided the identity is made known and signs a receipt for the bid, but only if the withdrawal is made prior to the exact time set for receipt of bids.
- c. The only acceptable evidence to establish mailing date for a late bid, a modification of bid, or a withdrawal of bid sent by registered or certified mail is the United States Postal Service postmark on the wrapper or on the original Postal Service receipt. If neither postmark shows a legible date, the bid, modification, or withdrawal shall be deemed to have been mailed late. The term “postmark” means a printed, stamped, or otherwise placed impression that is readily identifiable without further action as having been supplied and affixed on the date of mailing by employees of the United States Postal Service.
- d. Notwithstanding the above, a late modification of an otherwise successful bid which makes its terms more favorable to the sponsor will be considered at any time it is received and may be accepted.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation.
