

# Sexual Behaviors

Among Missouri High School Students

## Did You Know?

**Since 2007,**  
fewer students  
report being  
sexually active!

However,

...of students  
**did not use**  
any form of  
contraception.

**It's your future.  
You can protect it.**

Visit [www.cdc.gov/teenpregnancy/](http://www.cdc.gov/teenpregnancy/) to learn about the different ways you can protect yourself from unplanned teen pregnancy and STD/HIV infections.
