Big River and St. Gen still need pedimates dropped off.

2023 Goals:

- EMS Data –
 - Meeting of Data committee, Dr. Brandt put forward a letter with his thoughts and sharing at big SAC
 - Regional Medical Directors support letter and will bring it to SAC
- PEM Panel – Dr. Haywood, Dr. Laffey, Dr. Finney,
- EMS Needs assessment –
 - flyer approved, will distribute and leave open until September 15th
- Pediatric DNR legislation – Senate Bill 198 and Senate Bill 213
 - Has been sent to Governor's desk for signature – signed by July 14th or automatically becomes law.
 - Big thank you to Trish Casey and Jason!!
 - PEM Panel support letter to sent out to others
 - Ask for speaking spot at each regional EMS committees

- MPDS/APCO – dispatch software companies – do they have the question regarding peds DNR for pediatric OHCA
- Law enforcement partners should be made aware.
- Education: EMS agencies, medical directors, dispatch, pediatric clinics
 - Children’s hospitals handle clinics communications

Old Business:

EMS Needs Assessment

Peds DNR Bill – August 28th

New Business:

Trauma Transports on Pediatrics:

- St. Louis Children’s trauma teams will see patients 18 +
- Glennon doesn’t have a clear cutoff – can treat ages to 18, some older
- KC Mercy also keeps kids up to 18
- Barnes – 16+ come to them
- Would like to see a universal expectation the peds side

Numbers: leveled traumas, pediatric patients at 15 and older, seen at children’s hospitals, seen at adult centers, those transferred into children’s hospitals from other hospitals, Door in- door out time for transfers,
