1. Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number IP19-1901, entitled Immunization and Vaccines for Children, and application dated Apr 05, 2019 as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NOA).

Approved Funding: Funding in the amount of \$5,730,169 is approved for the Year 01 budget period, which is July 1, 2019 through June 30, 2020. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

The NOFO provides for the funding of multiple components under this award. The approved component funding levels for this notice of award are:

Funding Type	Amount
Project BB1	\$ 409,862
Core Funding	\$5,320,307

Approved But Unfunded: Travel to the following CDC Sponsored or co-sponsored meetings is approved but not funded at this time: National Immunization Conference (NIC), Immunization Awardee Meetings, Influenza Immunization Summit, and the Public Health Informatics Conference.

Note: Refer to the Payment Information section for draw down and Payment Management System (PMS) subaccount information.

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO and below.

- Provide guidance, trainings, tools, and technical assistance to award recipient on program area components.
- Host conference calls for sharing information from CDC and between award recipients.
- Work with award recipients on planning and implementation of required and proposed activities.
- Monitor award recipient vaccine spend plan and replenishment providing regular feedback and working with award recipient to address barriers.

- Analyze and report results of surveys regarding national, state and selected local level vaccination coverage.
- Analyze and report result of surveys of award recipient plans and activities related to preparedness.
- Collaboration with external partners to promote IIS in national health IT settings.
- Develop and support improvements in IIS data quality and program measures to assess IIS performance.
- Use IIS submitted data to develop methods to estimate national vaccination coverage and calculate vaccination coverage estimates for routinely recommended childhood vaccines.
- Use IIS submitted data to monitor seasonal or pandemic influenza vaccination among ages that are available in the IIS data.
- Assist, as needed, in the development of data collection and reporting methods for school-enterer vaccination coverage surveys.
- Provide VFC policy guidance via the VFC Operations Guide, periodic trainings and conference calls, including use of the CDC developed quality assurance site visit tools, to assist award recipient implement their VFC program in accordance with federal requirements.
- Provide subject matter guidance in all program component areas.

Direct Assistance (DA): DA is awarded in the amount of \$ 4,688 in this budget period.

Summary/Technical Review Response Requirement: The review comments on the strengths and weaknesses of the proposal are provided as part of this award. A response to the weaknesses in these statements must be submitted in GrantSolutions Grant Notes and approved, in writing, by the Grants Management Specialist/Grants Management Officer (GMS/GMO) noted in the CDC Staff Contacts section of this NOA, no later than 60 days from the budget period start date. Failure to submit the required information by the due date, September 3, 2019, will cause delay in programmatic progress and will adversely affect the future funding of this project.

Budget Revision Requirement: By September 3, 2019 the recipient must submit a revised budget with a narrative justification in GrantSolutions Grant Notes. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

Program Income: Any program income generated under this grant or cooperative agreement will be used in accordance with the Addition alternative.

Addition alternative: Under this alternative, program income is added to the funds committed to the project/program and is used to further eligible project/program objectives.

Note: The disposition of program income must have written prior approval from the GMO.
