

Apple Counting

Count the number of apples in each box. Then, trace the correct number.

Five red apples are shown in a row. To the right of the apples are the numbers 2, 3, 4, 1, and 5, each in a dashed font for tracing.

One red apple is shown in the center. To the right of the apple are the numbers 2, 3, 4, 1, and 5, each in a dashed font for tracing.

Two red apples are shown in a row. To the right of the apples are the numbers 2, 3, 4, 1, and 5, each in a dashed font for tracing.

Four red apples are shown in a row. To the right of the apples are the numbers 2, 3, 4, 1, and 5, each in a dashed font for tracing.

Three red apples are shown in a row. To the right of the apples are the numbers 2, 3, 4, 1, and 5, each in a dashed font for tracing.
